

Masters Representative

Role

To liaise between the masters swimmers and the committee and to develop masters swimming within the club

Skills:

- Must qualify as a masters swimmer
- Sound knowledge of the club
- Confident and effective communicator
- An interest in expanding and developing the masters section of the club and in the wider category of masters swimming in general

Main Duties:

- To promote and publicise, in the masters section of the club
- Investigate and explore Masters swimming opportunities with respect to galas etc.
- Establish links with other Masters groups within other clubs.
- Attempt to grow the Masters membership section of the club

Commitment

1 hour per week, plus requirement to attend six committee meetings per year.

Benefits to Self

The masters category is a growing one within the club and this is a real opportunity to shape it as it grows
